

How to Link Great American Annuity Data For Quovo

Please [contact us](#) for a list of platforms that Great American can integrate its annuity data and values to through Quovo.

- 1. Are you a current Quovo subscriber? If yes, skip to step 4.**
2. Reach out to your Relationship Manager at the software provider that you are requesting to receive the Great American annuity data feeds.
3. Request the software provider to initiate the Quovo integration.
4. Complete the [Third Party Data Agreement - Letter of Understanding](#).
5. Email the completed form to RIAMaster@gaig.com. Include your name (advisor), your firm name and which software provider you are choosing to receive the data feeds.
6. Great American will then contact Quovo to initiate the data feeds.
7. You will start receiving contract and index strategy values within three to five business days.
